

# EBONITE

Which **ONE** Is Inside?

## Program Details

- The Real One will be sold on pallets to distributors in increments of 108 balls per pallet.
- There will be 100 pallets of Real One balls available.
- Of those 10,800 balls available, 1,200 (300 each) will be the four special edition, re-released Ones.
- The consumer will have a 1:9 chance of opening a special edition ball.
- There will be 12 (3 of each) special edition balls on every pallet.
- Any consumer who opens a special edition One will be eligible to receive a Real One for free.
- The lucky finder must go to [realone.ebonite.com](http://realone.ebonite.com) to register the serial number on their special edition One ball to receive a Real One.

The Real One will have unique packaging which will not allow distributors, pro shop operators or consumers to view inside.
